

French language course in Riga Management College

During your studies in the program you can also choose to learn intensive French language course (from beginner to advanced level).

Students will be divided into two groups- with and without prior language knowledge. During this time you will get a diploma that will state your Business French language knowledge and it will give you the opportunity to study, work or make contacts in French speaking countries:

- DELF (*Diplôme d'études en langue française tout public*) is French Ministry of Education issued diploma.
- DEP (*Diplôme de français professionnel*) Paris Chamber of Commerce and Industry (*CCI Paris Ile-de-France*) issued diploma.

ALL DIPLOMAS ARE VALID LIFETIME

Internship

During your studies you will have paid internship in France. The College will pay for necessary education and living expenses in France.

Internship:

- Business language lessons combined with practical usage in authentic environment.
- Excursions, city sightseeing and French culture exploration

Riga Management College offers Erasmus + mobility program for studies. The college will take care about internship in France and study places.
